People on the Move Conference Evaluation (Page 2)

Title of Event	Added to Knowledge	Increased Appreciation of Topic	Learned More/ Led to Action
Katrina's Internally Displaced People: The Stats and the Stories	Y-25 N-1 very valuable; learned about St. Bernard project; "head" and "heart" knowledge; learned the causes of migration; statistics helpful; more informed; hard to track migrants	Y-24 N-2 personal stories from students were nice touch; good to have reminder of Katrina; edifying to hear the struggles and the work being done; more sympathetic; important to keep hearing stories; nice that these issues are being recognized	Y-21 N-5 more knowledge of services available locally; volunteer at St. Bernard project and rebuilding; Justice for Immigrants Campaign; help get students involved; deepened understanding of the plight of the displaced; want to become more articulate on migrant issues with others; will do more research
Dr. Manuel Vasquez Migration in the South: Emerging Trends and Critical Issues	Y-21 N-0 helpful information; didn't realize influx of immigrants to such a degree; racial tensions among minority groups; interesting that racial makeup of New Orleans has become more Latino and less African American; learned more about ATL; learned more about where migrants are from and what they do; are now aware of increase in Southern Latino population	Y-17 N-4 very much appreciative; makes you stop and think about migrants; migrants should have more respect; eyes have been opened to truth about immigration; respect migrants more because they do not steal jobs; more intercultural appreciation	Y-20 N-1 inspired research ideas; relationship between African Americans and Latinos interests me; diverse faith communities; presentation drives you to learn more; more interested in immigration facts; want to know more about ATL; will try to make others aware of the migrants' struggles; help to ensure NO is more helpful towards immigrants; like to learn more about other views of migrants
Local Opportunities for Accompanying Migrants	Y-7 N- 0 very informative; very ignorant on migration issues before this presentation	Y- 7 N-0 "This American Life" story was moving; no longer take for granted immigrants impact on America; want to change immigration laws	Y-7 N-0 JFI campaign; SOA trip; help people treated unjustly because of their immigrant status; Dream Act advocacy; want to research more; never noticed how much immigrants added to the U.S.
Kim Bobo: Workers on the Move: Migration and Economic Justice in the U.S.	Y-25 N- 1 more aware of problems facing other people; learned more about modern wage stealing; other areas are facing the same immigration issues as New Orleans; explained of wage theft; know more about specific events and actions against wage theft and the upcoming wage theft ordinance	Y-25 N-1 Dennis' story was very powerful; want to set straight the priorities for immigration; great appreciation for those affected by wage theft; more informed	Y-25 N-1 Alternative Spring Break; Day of Action against wage theft; want to take action in NO and Houston; learn more about local opportunities to walk with migrants; interested in NO workers' movement; will raise more awareness; guest worker speaker put things in perspective; more compelled to pursue issue; want to work together to make a difference; involved with immigrant worker day care center; want to be more aware of legal issues
Coming Face-to-Face with the Stranger: Experiences of Service and Immersion	Y-13 N-0 nice to hear real stories; much insight into first hand experience; informative and knowledgeable speakers	Y-12 N- 1 more aware of the challenges immigrants face; want to know more about the worker justice movement; important to know the positive/negative effects research can have on the lives of migrants	Y-11 N- 2 want to know more about worker justice movement; Dream act advocacy; want to be more helpful in the community; good reminder of local plight of migrant workers; want to be more involved through photography; important to continue learning about migration issues
Dr. Katrine Camilleri: Refugees and Asylum Seekers: International Human Rights and Catholic Social Teaching	Y-42 N-0 different perspective helped in understand; didn't think migration issues were this bad; surreal; added to empathy; formerly unaware of peoples' struggles; learned about how devastating and how big of an issues it is; added to personal experience; understanding of how others experience migration; aware of international migration issues; know more now; now understand the different levels of migration; eye-opening and helped to reconsider issues; different perspective	Y-41 N-1 good to think about their journey; showed dangers & issues they face; waiting to die; brought up dangers and issues of migration and how many have no choice; nothing like first-hand testimony to convey truth of situation; never really thought about the "journey" part; learned about state of things between Italy and Africa	Y-38 N-3 research the Jesuit Refugee Service; wish to work with refugees; more respect for refugees; pictures very effective; was formerly ill-informed of migrant struggles; want to learn more in order to help; learn more about local level; affirmed desire to work with refugees; help to inform others about the need to share resources across borders; want to read more about perils; plan to take a class on refugees next semester; Alternative Spring Break
